THIS NOTICE OF MEETING AND MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE DIRECTORS OF TAIGA GOLD CORP. OF PROXIES TO BE VOTED AT THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF TAIGA GOLD CORP. TO BE HELD ON SEPTEMBER 24, 2020.

TAIGA GOLD CORP.

Suite 200, 44 – 12th Avenue South
Cranbrook, British Columbia V1C 2R7

NOTICE OF ANNUAL AND SPECIAL MEETING

TAKE NOTICE that the annual and special meeting (the “**Meeting**”) of the shareholders of Taiga Gold Corp. (the “**Corporation**”) will be held at Suite 200, 44 – 12th Avenue South in Cranbrook, British Columbia on September 24, 2020 at 11:00 a.m. (MST local time) for the purposes of:

1. receiving and considering the audited financial statements of the Corporation for the year ended December 31, 2018, and the report of its auditors;
2. electing the directors for the ensuing year;
3. appointing auditors for the ensuing year;
4. approving the Corporation’s Stock Option Plan, as more particularly described in the Information Circular; and
5. transacting such other business as may properly come before the said meeting or any adjournment thereof.

The Information Circular contains details of matters to be considered at the Meeting under the section heading “*Particulars of Matters to be Acted Upon*”. The Meeting will also consider any permitted amendment to, or variation of, any matter identified in the Notice and transact such other business as may properly come before the Meeting or any adjournment thereof.

The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access provisions are a relatively new set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Corporation to post the Information Circular and any additional materials online. Shareholders will still receive this Notice of Meeting and a form of proxy and may choose to receive a paper copy of the Information Circular. The Corporation will not use the procedure known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Information Circular.

Please review the Information Circular carefully and in full prior to voting as the Information Circular has been prepared to help you make an informed decision on the matters to be acted upon. The Information Circular is available on the Corporation’s website at:

www.taigagold.com/tgcinfocircular2020

and under the Corporation’s profile on SEDAR at www.sedar.com. Any shareholder who wishes to receive a paper copy of the Information Circular, should contact the Corporation at Suite 200, 44-12th Avenue South, Cranbrook, British Columbia, V1C 2R7, or by facsimile to 250-426-6899 or toll free at 1-866-486-8673. Shareholders may also use the toll-free number noted above to obtain additional information about the Notice-and-Access Provisions.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder’s name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory policy requires intermediaries/brokers seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The majority of the brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“Broadridge”). Broadridge typically uses its own voting instruction form, mails those forms to the Beneficial

Shareholders and asks Beneficial Shareholders to either return the voting instruction form to Broadridge or alternatively provide voting instructions by utilizing an internet on-line or automated telephone system. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that voting instruction form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment of the Meeting (the "Proxy Deadline"), failing which such votes may not be counted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the voting instruction form provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders who hold their Common Shares in their own name (referred to as "**Registered Shareholders**") may attend the Meeting in person or may be represented by proxy. If you are unable to attend the Meeting in person, please complete, date and sign the form of proxy provided by the Corporation and return it, in the envelope provided, to Proxy Department, AST Trust Company (Canada), PO Box 721, Agincourt, Ontario, M1S 0A1, or by email to proxyvote@astfinancial.com, or by facsimile to 416-368-2502 (Toll Free:1-866-781-3111 Canada & US Only), so that it is received not later than the Proxy Deadline failing which such votes may not be counted.

In order to ensure that a paper copy of the Information Circular can be delivered to a requesting Beneficial Shareholder or Registered Shareholder in time for such shareholder to review the Information Circular and return a voting instruction form or proxy prior to the Proxy Deadline, it is strongly suggested that a shareholder ensure their request is received no later than September 4, 2019.

DATED this 14th day of August, 2020.

BY ORDER OF THE BOARD

TAIGA GOLD CORP.

INFORMATION CIRCULAR (as at August 14, 2020)

FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON SEPTEMBER 24, 2020

GENERAL PROXY INFORMATION

PURPOSE OF SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies by the management of Taiga Gold Corp. (the “**Corporation**”) for use at the annual and special meeting of common shareholders of the Corporation, to be held at Suite 200, 44-12th Avenue South, Cranbrook, British Columbia, V1C 2R7, on September 24, 2020 at 11:00 a.m. (MST local time) or at any adjournment for the purposes set out in the accompanying notice of meeting (the “**Meeting**”).

The solicitation will be conducted primarily by mail, subject to the use of “Notice and Access Provisions” (as described below) in relation to the delivery of the Information Circular. The cost of such solicitation will be borne by the Corporation. Directors and officers of the Corporation may without special compensation solicit proxies by telephone, facsimile or in person.

APPOINTMENT AND REVOCATION OF PROXIES

Shareholders have the right to appoint a nominee (who need not be a shareholder) to represent them at the Meeting other than the persons designated in the form of proxy, and may do so by inserting the name of the appointed representative in the blank space provided in the form of proxy.

The instrument of proxy will not be valid for the Meeting or any adjournment unless it is completed by the shareholder or by his attorney authorized in writing and must be delivered to the Proxy Department, AST Trust Company (Canada), PO Box 721, Agincourt, Ontario, M1S 0A1, or by email to proxyvote@astfinancial.com, or by facsimile to 416-368-2502 (Toll Free: 1-866-781-3111 Canada & US Only), not less than forty eight (48) hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment of the Meeting.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by his authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by depositing the proxy bearing a later date with AST Trust Company (Canada) at any time up to and including the last business day preceding the date of the Meeting or any adjournment at which the proxy is to be used, or by depositing the revocation of proxy with the chairman of such Meeting on the day of the Meeting, or any adjournment of the Meeting.

VOTING OF PROXIES

The persons named in the form of proxy are directors and/or officers of the Corporation and have indicated their willingness to represent as proxy the shareholder who appoints them. Each shareholder may instruct his proxy how to vote his shares by completing the proxy form.

The person indicated in the proxy shall vote the shares in respect of which they are appointed in accordance with the direction of the shareholder appointing them.

In the absence of instructions to vote or withhold from voting the Common Shares on such matters as the Shareholder may instruct, and in the absence of any direction to vote for or against on such matters as the Shareholder may direct, the management appointees named in the proxy will vote such shares in favour of the matters on which the Shareholder is entitled to vote as specified in the Notice of Meeting, and in favour of all other matters on which the Shareholder is entitled to vote as proposed by management at the Meeting.

THE FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSON INDICATED IN THE PROXY WITH RESPECT TO AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS (THE "NOTICE") AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING. At the time of printing of the Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice and the Information Circular. If any matters which are not now known to

the directors and senior officers of the Corporation should properly come before the Meeting, the persons named in the form of proxy will vote on such matters in accordance with their best judgment.

NOTICE AND ACCESS

Notice-and-Access is a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of its securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the "**Notice-and-Access Provisions**") can be used to deliver materials for both special and general meetings.

The use of the Notice-and-Access Provisions is intended to reduce paper waste and mailing costs to the reporting issuer. In order for the Corporation to utilize the Notice-and-Access Provisions to deliver proxy-related materials, the Corporation must send a notice to Shareholders indicating that the proxy-related materials for the Meeting have been posted electronically on a website that is not SEDAR and explaining how a Shareholder can access them or obtain a paper copy of those materials. Upon request, beneficial owners are entitled to delivery of a paper copy of the information circular at the reporting issuer's expense. This Information Circular has been posted in full on the Corporation's website at

www.taigagold.com/tgcinfcircular2020

and under the Corporation's SEDAR profile at www.sedar.com.

In order to use the Notice-and-Access Provisions, a reporting issuer must set the record date for the meeting at least 40 days prior to the meeting to ensure there is sufficient time for the materials to be posted on the applicable website and the notice of meeting and form of proxy to be delivered to Shareholders. The requirements for the notice of meeting are that the Corporation shall provide basic information about the Meeting and the matters to be voted on, explain how a Shareholder can obtain a paper copy of this Information Circular, and explain the Notice-and-Access process. The Notice of Meeting containing this information has been delivered to Shareholders by the Corporation, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of non-registered Shareholders).

The Corporation will not rely upon the use of 'stratification'. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some, but not all, of its shareholders, along with the notice of meeting. In relation to the Meeting, all Shareholders will receive the documentation required under the Notice-and-Access Provisions and all documents required to vote at the Meeting. No Shareholder will receive a paper copy of this Information Circular from the Corporation or any intermediary unless such Shareholder specifically requests same.

The Corporation will be delivering proxy-related materials to NOBOs indirectly through the use of intermediaries. The Corporation intends to pay for delivery of materials to OBOs. As a result OBOs will also receive the materials indirectly through the use of intermediaries.

Any shareholder who wishes to receive a paper copy of this Information Circular must contact the Corporation at Suite 200, 44-12th Avenue South, Cranbrook, British Columbia, V1C 2R7, or by facsimile to 250-426-6899. In order to ensure that a paper copy of this Information Circular can be delivered to a requesting shareholder in time for such shareholder to review this Information Circular and return a proxy or voting instruction form so that it is received not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment of the Meeting, it is strongly suggested that a shareholder ensure their request is received no later than **September 4, 2020**. All shareholders may call **1-866-486-8673** (toll-free) in order to obtain additional information about the Notice-and-Access Provisions or to obtain a paper copy of this Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory policy requires intermediaries/brokers seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The majority of the brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically uses its own voting instruction forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to either return the voting instruction forms to Broadridge or alternatively provide voting instructions by utilizing an internet on-line or automated telephone system. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that voting instruction form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the voting instruction form provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to shareholders in this Information Circular, the accompanying instrument of proxy and Notice are to shareholders of record unless specifically stated otherwise.

VOTING SHARES

Only the Common Shares of the Corporation are entitled to vote at the Meeting. As of the date of this Information Circular, 80,995,823 Common Shares without nominal or par value are issued and outstanding. Each Common Share entitles the holder to one vote on all matters to come before the Meeting. No group of shareholders has the right to elect a specified number of directors, nor is there cumulative or similar voting rights attached to the Common Shares of the Corporation.

The directors of the Corporation have fixed August 14, 2020, as the record date for determination of the persons entitled to receive notice of the Meeting. A shareholder of record as of the record date is entitled to vote his Common Shares except to the extent that he has transferred the ownership of any of his shares after the record date, and the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he owns the shares, and demands, not later than 10 days before the Meeting, that his name be included in the shareholder list before the Meeting, in which case the transferee is entitled to vote his shares at the Meeting.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Alberta, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by the Corporation's shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the Business Corporations Act (Alberta), all of its current directors and its executive officers are residents of Canada and a substantial portion, if not all, of its assets and the assets of such persons are located outside the United States. Shareholders of the Corporation may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Eagle Plains Resources Ltd.	12,162,716	15.02%

STATEMENT OF EXECUTIVE COMPENSATION

For the purposes of this section, "Named Executive Officers" means the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") of the Corporation and each of the Corporation's or its subsidiaries' three most highly compensated executive officers, other than the CEO and CFO, whose aggregate compensation exceeded \$150,000, any of whom served in such capacity during the most recently completed financial year ended December 31, 2011.

Compensation Discussion and Analysis

The Corporation's approach to executive compensation has been to provide suitable compensation for executives that is internally equitable, externally competitive and reflects individual achievement. The Corporation attempts to maintain compensation arrangements that will attract and retain highly qualified individuals who are able and capable of carrying out the objectives of the Corporation. The Corporation's compensation arrangements for the Named Executive Officers may, in addition to salary, include compensation in the form of bonuses and, over a longer term, benefits arising from the grant of stock options.

Compensation Committee

The board of directors of the Corporation has established a Corporate Governance and Compensation Committee (the "CGCC") comprised of directors, which establishes and reviews the Corporation's overall compensation philosophy and its general compensation policies with respect to executive officers, including the corporate goals and objectives and the annual performance objectives relevant to such officers. The CGCC evaluates each officer's performance in light these goals and objectives and, based on its evaluation, determines and approves the salary, bonus, options and other benefits for such officers. In determining compensation matters, the CGCC and the board of directors may consider a number of factors, including the Corporation's performance, the value of similar incentive awards to officers performing similar functions at comparable companies, the awards given in past years and other factors it considers relevant. The current overall objective of the Corporation's compensation strategy is to reward management for their efforts, while seeking to conserve cash given current market conditions. With respect to any bonuses or incentive plan grants which may be awarded to executive officers in the future, the Corporation has not currently set any objective criteria and will instead rely upon any recommendations and discussion at the CGCC level with respect to the above-noted considerations and any other matters which the CGCC and board may consider relevant on a going-forward basis, including the cash position of the Corporation.

The CGCC is comprised of Glen J. Diduck, Timothy J. Termuende and Darren B. Fach, neither of whom is independent. Each of the CGCC members have over 20 years' experience with public companies and related executive compensation matters. See "Particulars of Matters to be Acted Upon - Election of Directors" for additional disclosure relating to the skills and experience of the respective CGCC members.

Components of Executive Compensation:

The components of the executive compensation program are described in the table below:

Compensation element	How it is paid	What it is designed to reward
Base salary	Cash	Rewards skills, capabilities, knowledge and experience, reflecting the level of responsibility, as well as the contribution expected from each executive.
Short-term Incentive	Cash	Rewards contribution to both department's performance and the Corporation's overall performance. Rewards for results within the current fiscal year.
Long-term Incentive	Stock Options	Provides alignment between the interests of executives and shareholders. Rewards contribution to the long-term performance of the Corporation and demonstrated potential for future contribution. Aligns with long-term corporate performance and provides added incentive for executives to enhance shareholder value.

Base Salary

The base salary provides an executive with basic compensation and reflects individual responsibility, knowledge and experience, market competitiveness and the contribution expected from each individual. At its discretion, the CGCC may compare each executive officer's salary with the base salaries for similar positions in the comparator group, and recommends appropriate adjustments, as needed.

Short-term Incentive

Short-term incentive compensation is based on annual results. The short-term incentive ensures that a portion of an executive's compensation varies with actual results in a given year, while providing financial incentives to executives to achieve short-term

financial and strategic objectives. It communicates to executives the key accomplishments the CGCC wishes to reward and ensures that overall executive compensation correlates with corporate objectives. The short-term incentive component is structured to reward not only increased value for shareholders but also performance with respect to key operational factors and non-financial goals important to long-term success.

Long-term Incentive

The long-term incentive component of executive compensation is designed to ensure commonality of interests between management and shareholders. This is accomplished by connecting shareholder return and long-term compensation, motivating executives to achieve long-range objectives that directly benefit shareholders.

Stock options reward executives for growth in the value of the Corporation's stock over the long term. This is the high risk, high-return component of the executive total compensation program because stock options deliver value to an executive only if the share price is above the grant price. This long-term equity incentive includes both a corporate and personal component.

Summary Compensation Table

For the financial year ended December 31, 2018, the Corporation had two (2) Named Executive Officers.

Incentive Plan Awards

Stock Option Plan

The purpose of the Stock Option Plan is to provide an incentive for directors, officers, key employees and consultants of the Corporation to directly participate in the Corporation's growth and development by providing them with the opportunity through options to purchase Common Shares to acquire an increased financial interest in the Corporation.

The CGCC believes that granting of options is an effective way to support the achievement of the Corporation's long-term performance objectives, ensure executive and employee commitment to the longer term interests of the Corporation and its shareholders, and provide compensation opportunities to attract, retain and motivate employees critical to the success of the Corporation. At its discretion, the CGCC grants options to individuals taking into account the Corporation's long-range objectives, comparing and matching in most cases option grants and holdings for similar positions in the comparator group, and previous grants to such individuals. See "Particulars of Matters to be Acted Upon – Stock Option Plan".

Termination and Change of Control Benefits

The following is a summary of contracts and agreements with our NEO's and other executive officers that provides for payments to NEO's and other executive officers at, following, or in connection with any termination as a result of a change in control of our Company.

The Company entered into Consulting Agreements with Mr. Glen Diduck, Toklat Resources Inc., a company owned by Tim Termuende, Mr. Charles Downie, Mr. Jesse Campbell and Mr. Norm Jordan to pay them for services provided to the Company.

In the event of a Change of Control, then:

The Consultant may give thirty (30) days' written notice of termination to the Company at any time within the six (6) month period following the acquisition of common shares or other voting securities of the Company ("Voting Securities") such that the person or persons come to hold, of record or beneficially, at least thirty-five cent (35%) of the Voting Securities and act in concert with respect to voting such Voting Securities. In the event of receipt of such notice, the Company shall pay to the Consultant on the last day of his employment either the sum equivalent to twenty-four (24) months of Fees or a specified amount, whichever is greater. The Company agrees to make reasonable efforts to structure such payment in a manner designed to minimize the tax consequences for the Consultant. Director Compensation

The CGCC reviews director compensation every year and recommends updates to the Board for approval when considered appropriate or necessary to recognize the workload, time commitment and responsibility of Board and committee members and to remain competitive with director compensation trends of the Corporation's peer group. To do so, the CGCC uses industry comparative data and may, from time to time, retain independent external consultants to assist in reviewing director compensation. The following table shows the compensation paid to the Corporation's directors for the year ended December 31, 2019.

Name	Fees earned (\$)	Share-based awards (\$)	Option-based awards (\$)	Non-equity incentive plan compensation (\$)	Pension value (\$)	All other compensation (\$)	Total (\$)

AUDIT COMMITTEE

The Audit Committee Charter

The following is the Corporation's "Audit Committee Charter" (the "**Charter**"):

Purpose

The primary function of the audit committee of the Corporation (the "**Committee**") is to assist the board of directors (the "**Board**") of the Corporation in fulfilling its responsibilities by reviewing the financial reports and other financial information provided by the Corporation to any regulatory body or the public, the Corporation's systems of internal controls regarding preparation of those financial statements and related disclosures that management and the Board have established and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Committee encourages continuous improvement of, and fosters adherence to, the Corporation's policies, procedures and practices at all levels. The Committee's primary objectives are to:

- assist directors in meeting their responsibilities in respect of the preparation and disclosure of the financial statements of the Corporation and related matters;
- provide for open communication between directors and external auditors;
- enhance the external auditor's independence;
- increase the credibility and objectivity of financial reports; and
- strengthen the role of the outside or "independent" directors by facilitating in depth discussions between directors on the Audit Committee, management and external auditors.

Composition

The Committee is comprised of three or more directors as determined by the Board, if at all possible with the majority of whom shall be "independent" (as such term is used in National Instrument 52-110 Audit Committees ("**NI 52-110**")) unless the Board shall have determined that the exemption contained in section 3.6 of NI 52-110 would be applicable and is to be adopted by the Corporation.

All of the members of the committee shall be "financially literate" (as defined in NI 52-110) unless the Board shall determine that an exemption under NI 52-110 from such requirement in respect of any particular member would be applicable and is to be adopted by the Corporation in accordance with the provisions of NI 52-110.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and remain as members of the Committee until their successors shall be duly elected and qualified.

Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

Meetings

The Committee shall meet at least twice annually, or more frequently as circumstances dictate. As part of its mandate to foster open communication, the Committee should meet at least annually with management and the external auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. The Chief Financial Officer (if appointed) is required to be present at the meetings of the Committee and may be excused from all or part of any such meetings by the independent sitting members.

Minutes of all meetings of the Committee shall be taken and the Committee shall report the results of its meetings and reviews undertaken and any associated recommendations or resolutions to the Board. A written resolution signed by all Committee members entitled to vote on that resolution at a meeting of the Committee shall be valid resolution of the Committee.

A quorum for meetings of the Committee shall be majority of its members, and the rules for calling, holding, conducting and adjourning meetings of the committee shall be the same as those governing the Board.

Members of the Committee may participate in a meeting of the Committee by means of telephone or other communication device or facilities that permit all persons participating in any such meeting to hear one another.

6. When there is to be a change in auditors, review the issues related to the change and the information to be included in the required notice to securities regulators of such change.
7. Periodically consult with the external auditors, without the presence of management, about internal controls and the fullness and accuracy of the organization's financial statements.
8. Consider, in consultation with the external auditor, the audit scope and plan of the external auditor.
9. Pre-approve the completion of any non-audit services by the external auditors and determine which non-audit services the external auditor is prohibited from providing and the Committee may delegate to one or more independent members of the Committee the authority to pre-approve non-audit services, provided that such member(s) reports to the Committee at the next scheduled meeting such pre-approval and the members(s) complies with such other procedures as may be established by the Committee from time to time.

1. Ensure that management has the proper review system in place to ensure that the Corporation's financial statements, reports and other financial information disseminated to regulatory organizations and the public satisfy legal requirements.
2. Conduct and authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to retain, and to set and pay compensation for any independent counsel and other professionals to assist in the conduct of any investigation, subject to the Board approving any expenditure in excess of \$10,000 in this regard.
3. Perform any other activities consistent with this Charter, the Corporation's by-laws and governing law, as the Committee or the Board deems necessary or appropriate.

Current Members of the Audit Committee
